Message from the Head

We are all feeling energised after a fortnight where we have paid lots of attention to our physical fitness. In PE lessons children have worked on either tennis skills or athletics. I have even spotted children doing additional training for Sports Day in their break times.

It was a shame we were not able to welcome parents into school for Sports Day but I can assure you we had a lovely day. The children carried out their throwing skills in the morning followed by more traditional Sports Day races for the afternoon session. Bubbles worked safely and social distances was managed beautifully.

The sun shone brightly and the team spirit was incredible. Everyone felt encouraged to give their best.

When all scores were added up Willow house group were awarded first place by a wide margin.

A big round of applause was given and our eldest Willow pupil, Callum, was handed the cup.

Well done to everyone and a big thank you to Miss Jones for the successful organisation of this special day.

Refreshing ice pops were served at the end. Thank you to our PTA for this treat.

Here is a selection of photos to mark the day.

Values Award Assembly

Our celebration Values Award Assembly earlier today was lovely. As a Federation, we meet online using Microsoft Teams each Tuesday and Friday. Only this week, we had special guest appearances from parents of our Values nominees. It is a joy to hear the wonderful reasons why each child was nominated.

As a Federation we work extremely hard to enable our children to understand our Christian values. We explain to them how these values enable them to make good choices, the right choices for themselves and for others. Throughout the month, we pay respect to each value by linking it to biblical stories or figures that represent that particular value.

Truthfulness was our Value of the month for June and which we marked in today's Celebration Assembly. Being truthful is being honest about what actually happened, based on facts and real events. Telling the whole truth, is

not leaving out parts in order to hide something or change the context of what you are saying. There are many different ways that we can be seen to be truthful. Being truthful helps us feel better about ourselves, as we aim to keep a clear conscience and be viewed as trustworthy.

Here are five different ways we can show truthfulness:

1. Think before you speak.
2. Say what you mean and mean what you say.
3. Communicate in an open and honest way.
4. Simplify your statements so that everyone clearly understands your message.
5. Say things as they are rather than embellishing or not being transparent.

We are pleased to share with you our nominated children for this week:

Class 1

Isabelle and Connor

Class 2

Nanise and William

Class 3

Charlie and Ophelia

Class 4

Brooke

Each nominated child receives a certificate and sticker.

Bastille Celebration Day Update

Mrs Baillie and the teaching team have planned various activities across the curriculum such as an historical study into the significance of Bastille Day. Children will look at landmarks and location as well as focusing on language and crafts.

Mrs Cakau is preparing a French meal plan and we are hoping to announce a physical activity where, collectively, we walk to Paris.

Don't forget to wear either red, white or blue or a combination of all 3 on our special celebration day.

A Shout Out for parents.....

I would like to thank those parents who sacrificed spare time to help out with a late spring clean of our Outdoor Learning area earlier this week. Our children love to play and learn outdoors and keeping it in tip top condition is very important to us. We re lucky to have such a supportive school family. School life is manic at this time of year as we prepare for the end of term and this activity has helped tremendously.

Another Shout Out to a generous Mum, who has donated an enormous, high quality book collection to top up our library collection. Mrs Hughes will catalogue them all so we can begin using them as soon as possible.

Words cannot express how such kindness makes us all feel.

No school can work well for children if parents and teachers do not act in partnership on behalf of the children's best interests
— Dorothy H Cohen —

End of year reports

On Thursday 8th July we will issue our end of year reports to parents. We wil also issue a survey and each child will have Pride Pieces available for your personal view on Seesaw our Home Learning platform. Children and teachers are currently selecting samples of work which demonstrate great progress so they can be uploaded ready for you to view. More information to follow next week.

School Book bags/uniform

We have a supply of school book bags in stock, complete with the school logo available to purchase; Classic £6.50 or Essential £4.50. Please contact the School Office.

Also, don't forget to order your school uniform online, currently managed through School Trends at www.schooltrends.co.uk

If you require any assistance, please telephone the school office.
