Executive Headteacher: Mrs S Henney

20th September 2021

Dear Parents/ Carers,

Well, we appear to be hurtling our way through September don't we! It is hard to believe that we are already over half way through September. And what a busy few weeks it has been.

Roald Dahl Day 2021

The week started with a bang as the whole Federation celebrated Roald Dahl Day; we managed to raise a staggering £100 across the federation for the Roald Dahl's Marvellous Children's Charity.

There were some splendid outfits but more importantly it was wonderful to see ALL the children engaged in making 'George's Marvellous Medicine', using mathematical vocabulary and also learning about the children's love of Roald Dahl books; especially the more revolting variety!

School Vision

Thank you so much to all of you from the wider community who have contributed your ideas towards our draft school vision. The response has been overwhelmingly positive so thank you all. It is wonderful to read and hear, from both yourselves and the children, all the reasons why our schools are so special and about the qualities we need to demonstrate as individuals to ensure that we promote these values across the schools.

The school vision is the very heartbeat of our schools; it is felt the minute you walk through the doors. So it is vitally important that we glean the essence of what makes us unique.

We will continue to work on our draft versions and anticipate being able to share with you all in the very near future.

Home School Agreements and consent forms

Home School Agreement, food tasting, image consent and data collection sheets to be sent home with the children tonight.

If we could request that all contact detail forms and medical forms etc. are updated and returned to school as soon as possible please. This information helps up to keep up to date with any medical matters, ensures that we have up to date contact details and also ensure we have the most current information when it comes to matters of consent such as allowing your child to be in school photographs.

PTA – Moreton Say

I have been able to meet with Becky Baxter, Chair of the PTA, this week It was wonderful to learn more about the fundraising work this committee do for our pupils and would like to take this opportunity to thank them for their continued hard work. I have heard of some very exciting events that are coming up in the future, so watch this space!

If you are interested in supporting the fundraising events organised by the PTA please do contact Mrs Baxter.
