

Moreton Say PTFA

October 2021

Dear Parents, Carers and Friends,

A quick update to let you all know a little bit about our Moreton Say PTFA. We are a friendly committee and a registered charity. Our aim is to raise money to go towards enhancing the education of the children at Moreton Say School and Nursery. As a committee we work closely with the school who make suggestions on areas that funds could be spent, then as a committee we agree how the funds raised are allocated. You can be involved in this also.

We have been quiet with Covid preventing us from doing much at all, but now we are hopeful that we can get stuck back into fundraising and arranging activities/supplies/trips/visits for the children.

Previously our funds have paid for:

- Playground line painting
- Pantomime trips
- Class trips out
- Interactive Whiteboard

We also arrange fun activities that are simply for the children, creating wonderful memories of their time at Moreton Say School. examples being

- Easter Egg Hunt
- Autumn Crafts
- Movie Nights

This term we are planning the following activities:

- Break the rules day (fundraising and fun) - Look out for the flier!!
- Autumn craft afternoon (fun event for the children) - 21st October
- Xmas Disco (fundraising and fun) - Planned for 10th Dec - **to be confirmed!**
- Christmas cards (fundraising - precious memories) - *designs complete - please send in your orders.*

There are more plans, but we cannot confirm them all just yet..... watch this space or come and join in a meeting.

Moreton Say PTFA

Support

As we are a small school you can imagine our PTFA is also a small team, committee members are listed at the bottom of the page. We also have several very valuable parents, carers, or friends who dip in and out and help with activities all the time and some on an ad hoc basis, but we always need more.

Can you help support us and our school, you may not think you can due to work commitments or feeling nervous about joining in a group already established. Please do not worry we are a friendly bunch all working and managing the committee as we go. Your support could be as simple as coming up with an idea for fundraising, even though you may not have the time to run the activity, but the idea may be fantastic and not one we have tried before, so please get in touch. It maybe you would like to run an event and we are always grateful to hand an activity over to someone who wants to manage it. There are several people who manage certain activities. For example Liz, looks after the Preloved Uniform. You may be fantastic at designing posters or raffle tickets or movie night tickets. We need you and your ideas.

Ongoing fundraising that happens all year round currently include:

Recycling clothing: we have a huge box in the Clive Hall where preloved unwanted clothes/textiles can be placed which raising money for school. If you have any unwanted clothes bag them up and bring to school on a Tuesday and drop off in the porch of the Clive Hall, then one of the team will place them securely in the bag. - Thank you

Preloved Uniform: When children grow out of uniform some are donated to our preloved uniform sales. All items are then sold for £1 each. These are mostly Moreton Say logo items, a bargain!! (Liz - is the lady you need to speak to if you need anything or wish to donate)

We have a Facebook page, all parents and carers are welcome to join, please make a request to join... [Moreton Say Primary School PTFA](#).
