## Anti-bullying Week

Dear Parents/Guardians,

As part of our continued work surrounding young people's mental health, wellbeing and promoting children's rights, we will be participating in Anti-bullying Week from Monday 15<sup>th</sup> November. The whole school will be completing a range of activities throughout the week focusing on how to recognise bullying in schools, the wider community, online and how to deal with it.

Every year there is a different theme for National Anti-bullying Week. This year it is **One Kind World**.

'Kindness is more important today than it has ever been. The isolation of the last year has underlined how little acts of kindness can break down barriers and brighten the lives of the people around us.'

We will be asking children to complete 'kindness challenges' at school to help us to recognise that a small act of kindness can make a big difference. We will be sending home a **7 Day Kindness Challenge** for anyone wishing to continue their challenges at home.

We are encouraging all pupils and staff to wear odd socks on Monday 15<sup>th</sup> November to help launch our Anti-bullying Week and to celebrate our differences.

Thank you for your continued support.

Kind regards

Miss A Clarke

Reception Teacher and School Mental Health First Aider.
