Advice to Parents - warn and inform Class 3 & Choir Club

Dear Parents,

This letter is to inform you that there has been a confirmed case of COVID-19 within the class.

The school remains open and your child should continue to attend school as normal if they remain well. Your child does not need to isolate unless they are experiencing any of the following symptoms.

Symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhoea

If your child develops any of the above symptoms, they should get a PCR test immediately and must remain at home until the result is known. If negative, your child can end self-isolation; if positive, your child should isolate until at least 10 days after their symptoms appeared.

We know that you may find this concerning but staff remain vigilant and are continuing to monitor the situation carefully.

Yours sincerely,

Mrs S Henney.
Executive Headteacher.
