Dear Parents and Carers,

Change to Class 1 Morning Drop off

We would like to try something different for Class 1 drop-off next week. Could parents of Class 1 children please **walk up the path towards the demountable with your child(ren)** and a member of staff will meet you there. You can **then turn left and exit in a one-way system around the other gate to keep socially distanced.** Staff will be on hand to direct you on Monday. If you need to talk to the teacher or your child is nervous it may be useful if you could wait until the end. We know it's tricky when everything is new. Pickup will be the same arrangements for Class 1 as they are now – we will bring the children to the car park.

From our point of view, we feel drop-off and pick-up has gone as smoothly as can be expected with something so new to all of us. It is one of our biggest challenges, so we really appreciate your patience and co-operation. I know timing your arrival is tricky, so thank you for trying so hard to stick to the time slots. Friday was quicker than Thursday, so hopefully by the end of next week procedures will be even slicker. Thank you all so much for your help. If anyone has any other suggestions or comments regarding drop-off and pickup we would be happy to hear them.

Here are the times again in case you want to refer to them. I have put the year groups on next to the classes too, although I expect you all know them now. Sorry if the omission confused you before.

Drop off times

Class	Time
Class 1 – Nursery and Reception	8:50am
Class 2 – Year 1 and Year 2	8:50am
Class 3 – Year 3 and Year 4	8:45am
Class 4 – Year 5 and Year 6	8:45am

Pick up times

Class	Time
Class 1 – Nursery and Reception	3:00pm
Class 2 – Year 1 and Year 2	3:05pm
Class 3 – Year 3 and Year 4	3:15pm
Class 4 – Year 5 and Year 6	3:15pm

Wraparound Care

Wraparound care is available from 7:30am to 6:00pm. Please book via the school office. Parents using wraparound care will be allowed on site for drop off and pick up but will not be invited into the building. We are sorry for this, as we like to be welcoming, but we thank parents for their understanding. **We are using**

the demountable building for both morning and after school wraparound. Please could parents go to the demountable top gate and press the buzzer.

My thanks to all the staff who have come back ready to support your children and deal with whatever challenges this pandemic brings.

It has been joyous having children in school again. We are all delighted have them back with us. I hope your children have enjoyed their first two days and we look forward to supporting them to achieve their best and enjoy their learning over the coming term.

Just a polite reminder, we currently have children in school with a peanut allergy. Please can we ask that you have no nut products in lunch boxes, brought into school as treats or as a snack at breaktime. People who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction. Thank you in advance for your co-operation.

Yours sincerely,

Mrs Kim Stokes
