**This Half Term's Value: Respect**

Dear Parents/ Carers,

What a busy week it has been, it was wonderful to see the children taking part in the first inter school sporting event of the year. Pupils throughout school took part in the area cross country event at Grove School on Thursday. Overall as a school Moreton Say were placed fourth which is an absolutely wonderful achievement. I am so proud of you all!

In other news we are delighted to announce that our new kitchen, which is run by Mrs Claire Farley and assisted by Mrs Kerry Palmer received a five star food hygiene rating following their unannounced inspection this week from the Food Standards Agency. More about our amended menu for after half term and the team behind the cooking to follow in next weeks newsletter.

I would also like to take this opportunity to send an enormous thank you to our amazing PTA, on behalf of both myself and our Chair of Governors Jenny Nixon. The PTA work tirelessly to raise funds for the school and run events throughout the year. The PTA having met on Monday will no doubt be sharing planned events for the coming year.

It is now left to me to wish you all a wonderful weekend,

With Best Wishes,

Mrs S. Henney

## This week's Star Pupils!

This week's pupils of the week are:

**Ercall** – Kaleb Bate for always trying hard and willing to have a go. Well done Kaleb!

**Lawley – Reception:** Alice Temple - For fantastic independent segmenting in reading - Alice read all CVC words independently. Well done.

**Year 1:** Mason Street - For great Maths this week. Mason confidently used the symbols < , > and = to compare numbers. Well done.

**Wrekin** - Xander Sokolov - For working really hard in Maths and challenging himself further with extension tasks.

**Caradoc** – Jasper for always trying really hard and always being ready on time.

**Stiperstones** – Freya - for working super hard in all that we do. Your super attitude to learning has seen you making great progress already this year. Keep up the hard work!

## Class News

### Ercall

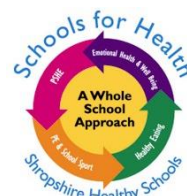

In nursery this week we have been learning all about Autumn.

We have set up a tuff tray in provision which is full of leaves, munchkin pumpkins, straw, acorns, pine cones and conkers.

The children seem to have enjoyed exploring these items and investigating with magnifying glasses too.

We created a 'senses' tray for the children to explore seeds, ground cinnamon and ground ginger.

The children created marks using brushes in the spices to help develop their fine motor skills.

In maths this week we created repeating patterns using apples and pears. The children thought it was fun to create prints using paint.

In literacy the children showed high levels of interest as we re-told the story of the gingerbread man on the whiteboard.

The children all took part in sequencing the story too using large photocopies from the book. The children communicated well with each other- Good team-work Ercall!

**Best wishes Mrs Butler and Mrs Arblaster**

### Lawley

We had a fantastic Friday last week visiting Market Drayton Library. The children enjoyed exploring books, listening to a group read and they even got to meet The Library pet Echo the Geeko. The children choose some stories to bring home to their adults.

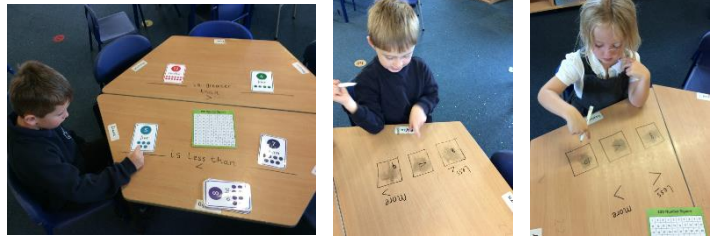

This week we have been super busy as always. The children have enjoyed going to The Grove to participate in a range of cross-country activities.

In phonics Reception have learnt the 'u, r, b, f' phonemes this week whilst Year One have been working through Phase 5 sounds looking at the digraphs 'ay, oy, ou, ea'. The children have been practicing segmenting, blending and writing their new sounds, well done.

In Geography we have continued to look at polar regions focusing on cold animals in both the Arctic and Antarctica. The children enjoyed writing about these animals and Year One even completed a comprehension task on cold places.

In maths we have started looking at ordering objects by amounts from smallest to greatest and least to most.

We have had another busy but fabulous week. Well done Lawley Class.

**Mrs Greenway and Mrs Dykes**

### Wrekin

What a busy week! In Science this week we studied woodlice using choice chambers to find out what conditions they like to live in. We carefully collected them from our woodland area and then ensured to return them after our test. We made predictions, provided 4 different conditions for our woodlice to explore, recorded results of how many woodlice in each area every minute for 5 minutes and then concluded that they just love damp and dark places.

On Wednesday we all brought in our toothbrushes and practiced brushing our teeth, ensuring all areas were reached and that we brushed for two whole minutes. We have been finding out about the importance of good tooth brushing habits and will be developing strategies for helping us remember to brush every day.

We had great fun representing our school at the Grove High School for this year's cross-country competition. Everyone who took part tried their best and still had smiles on their faces, even after running all that way!

**Miss S. Jones & Mrs Burns**

### Caradoc

Caradoc have had another exciting week! In Science this week, we learnt all about how to keep our teeth healthy. The children used disclosing tablets to show them where they need to brush well and then they all practiced their teeth brushing skills in class! The whole class had a lot of fun and we had a lot of purple smiling faces!

We also had a great time at the Cross Country event at the Grove school this week. All the children put in 100% effort and our Year 3 boys absolutely smashed it out of the park! A huge congratulation to Jasper Dutton, Ruben Saunderson and Elliott Phelps who came 1st, 2<sup>nd</sup> and 4<sup>th</sup> in their race! We are all super proud!

**Stiperstones**

**Cosford**

We had such a wonderful day at RAF Cosford on Monday. We were able to get round and visit all the different exhibitions and found out so much new knowledge, not just about World War Two but also about World War One and other wars that have taken place across the World. We took part in a workshop that taught us more about the Battle of Britain in 1940. We were able to sit in air raid shelters, try on some World War Two uniforms and try on a gas mask too. It was a great day!

**Harvest Food Collections**

As the weather gets more autumnal, our thoughts turn to harvest, this year we have chosen to support the Market Drayton Foodbank by asking for donations of a variety of goods for people who are in need of supplies.

In the almost 10 years since the Foodbank opened, it has helped thousands of people in Market Drayton and the surrounding areas and the demand for supplies is always increasing. Market Drayton Foodbank supports individuals and families in crisis by providing

**'Together we add more'**

emergency food supplies, as well as signposting people to agencies that are able to help resolve longer-term problems. Food banks rely on voluntary donations to provide this vital service to our community, please help them by joining our Harvest Appeal.

From **Monday 3<sup>rd</sup> October until Friday 14<sup>th</sup> October** we are asking for donations of non-perishable goods (tinned and dried goods), please see the list on the flyer below for details of the items required.

The flyer features a blue header with the Market Drayton Foodbank logo and the text 'COMBINED HARVEST APPEAL'. Below this, a green banner reads 'HELP SUPPORT YOUR FOODBANK WITH FOOD AND FUNDS THIS HARVEST'. The flyer is divided into two main sections: 'DONATE FOOD' and 'DONATE MONEY'. The 'DONATE FOOD' section includes a list of 'TOP TEN ITEMS' such as fruit juice, soup, tins of potatoes, rice pudding, tins of carrots/mix veg, sponge puddings/cake, jars/tins pasta & cooking sauces, tins of fruit, and tins meatballs/chilli/stew. The 'DONATE MONEY' section includes a 'thank you' jar and a pile of coins. The footer contains contact information for Market Drayton Foodbank and the Trussell Trust logo.
