Parent comments	<ul style="list-style-type: none"> Fabulous school all thanks to the people within it. My children are doing well and Miss Clarke and Miss Jones are very supportive of them and they are highly thought of by my boys. I do have one point about the school however. Of late there seems to be weekly requests for money donations, this is getting to be a bit much. I don't mind giving to causes but it's getting to be a lot, especially if you have more than one child in the school. Some families will be struggling and not be able to afford to give to everything, even more so with the rising cost of living. I think more thought needs to be given to what charities the school supports and not pick all of them. I feel Miss Jones has gone above and beyond to make sure there is help in place for my Son. My children are very happy at Moreton Say and it is a very positive environment for them. I've always been happy with the school, great teachers and parents We are very happy with Moreton Say school and feel our child is supported and nurtured. Based on these questions we do not get information about school topics or the learning

	<ul style="list-style-type: none">• I am more than happy with the school• We particularly like the small supportive environment and we were very impressed with everything the school did to support our child during Covid.• Very happy as a parent and my children are happy• Moreton Say has been superb with both our girls, really honing in on their skills, personality and abilities and understanding how to get the best from them in a caring, structured and supportive way. We are exceedingly happy with the holistic approach this school adopts and the progress both girls are making.• I have always felt very proud that my children attend MS, fabulous teaching staff and a lovely school• My Daughter loves coming to school and she is making good progress. I am grateful for the dedication of teaching staff, which makes Moreton Say a safe and exciting place to learn.
